

# EXTENDER LIGHTSTRIP KENWORTH W990

## INSTALLATION INSTRUCTIONS

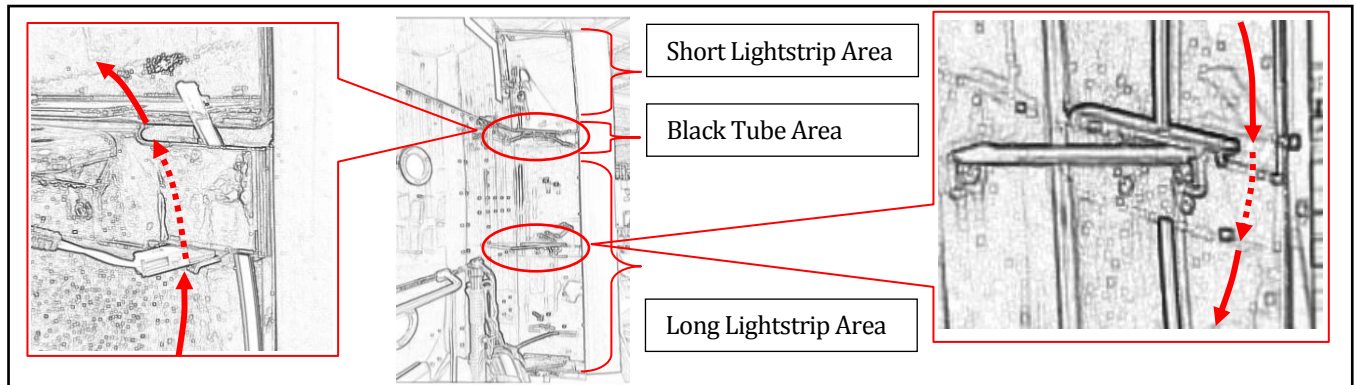

**Figure 1 Lights Location**

**Figure 2 Installation Direction**

1. Clean mounting surface @ Extender Inner with alcohol.
2. Route Upper (short) section of lightstrip through/under the upper extender bracket and lower (long) section of lightstrip between extender and lower bracket (see figure 3).

**Figure 3 Lightstrip Routing Direction**

3. Peel 3M tape and place gently in their desired position.
4. Repeat above steps for other side of vehicle if necessary.
